

## Who is Owadally and King?

### Your pro-active firm of Chartered Certified Accountants and Business Advisors

Based in Croydon, our dedicated team serve a wide range of clients located all around the UK and abroad as many of our team are also fluent French speakers

We are a dynamic accountancy practice, and use our vast experience and knowledge to help solve your accountancy and business headaches.

We also take the initiative to bring you tax planning services, legally helping you save what you earn such as:-

- **Corporation Tax Strategies**
- **Inheritance Tax and Capital Gains tax planning**
- **Contractor Solutions**
- **Stamp Duty Land Tax planning**

Our accountancy services are tailored for each client, and we also provide the traditional range of compliance type work such as:

- **Annual Accounts**
- **VAT returns**
- **Audits**
- **Payroll**
- **Book-keeping**

At O&K Accountants and Business Advisors we pride ourselves on being different, as we aim to fulfill all your business and accounting needs under one roof by using our extensive network of business contacts.

We run unique [Business Success Clubs](#), where we assist a select group of business owners to grow and manage their business in a different way. We also provide a '[One Page Business Success Plan](#)' service which helps our clients focus more effectively on their business. This leaves us to do what we do best i.e. helping our clients with their accounts and tax affairs.
