## **Not breaking out in hives when working with accountants**

Yesterday The Hive-Croydon announced the first member of their 1k Club.

They were delighted that Owadally & King accountants pledged to become members. Owadally & King are steadfast in giving something back to the community and helping others.

The Hive-Croydon is a new local charity to realise potential and enrich the lives of the people of Croydon. The support from Owadally & King will be a great asset.

We are delighted to be working with Owadally & King. As sponsors of Croydon Business Awards, we know they are a firm who are dedicated to the local community. They understand what our charity is trying to achieve and we are grateful for their help.

### **Lesley Stout, Executive Director, The Hive-Croydon**

The 1K Club is an invitation for businesses to support the work of The Hive-Croydon. Delivering Croydon Children's University for the whole of Croydon and Routes (an employability accreditation scheme) The Hive offers a sustainable model of support for the local community. The team at The Hive are determined that the charity will raise the aspirations of local children and their families and contribute to social mobility in some of the boroughs most deprived areas.
