#### Gold Silver Bronze

It's a challenge for you to connect with the natural world in brave new ways - to reach out and touch it and meet it head-on, up-close and personal.

All you need to do is create an account and an online profile, and within a few quick and easy steps you'll be ready to get stuck in to your wild adventure!

You can go as quickly or slowly as you like and we have a wide range of activities to suit your needs and location. There's something to do throughout the year, no matter what the weather brings!

#### How it works

[All you need to do is ask your parent/carer to create an account and an online profile and you can get started with your Wild Challenge.](#)

The activities are divided into two sections - Help nature and Experience nature. There are three award levels: Bronze, Silver and Gold. To earn each award, complete six activities, made up of three from the Help nature section and three from Experience nature section.

As you do each activity, send them a piece of evidence to show that you have completed it. Simply submit a photo of what you did with a line or two about what you learnt.

When you complete enough activities to reach an award, they'll send a personalised electronic certificate to celebrate.

### Kitchen Games - Beetroot Soup and Modern Art (cooking)

Learning Provider: Judy Jackson

Category: Practical life skills, Family Learning

Skills: Listening, Speaking & Creativity

Ages 4 - 16

Cooking is often seen as creative but never more than when you create a picture on a plate. Judy is showing you how to make designs out of just two things: natural yogurt and home cooked beetroot. (It won't work with the kind that comes packaged - often in vinegar). For those who prefer the practical, she is also showing a brilliant soup: colourful, rich and refreshing. On the video the soup comes first, then the painting comes half way through.

The videos in Kitchen Games are short: between 2 and 12 mins, with an average of about 8 mins. Children can watch on their own and then if they want to try a particular activity they might get a little help from their parents (according to age).
