

### QUEEN'S PLATINUM JUBILEE JUNE 2022

1952 - 2022

#### ARE YOU HAVING A JUBILEE STREET PARTY OR CELEBRATING AT HOME WITH FAMILY AND FRIENDS ?

#### IDEAS FOR THE BIG DAY

Add some fun to your Big Jubilee Party with these easy-to-make bunting biscuits! Once baked use icing to create patterns, write out a celebratory message, or set up a station so people can decorate their own on the day.

Un-iced biscuits can be frozen for up to three months so they're great for making in advance.

[https://www.edenprojectcommunities.com/sites/default/files/tbjl\\_-\\_bunting\\_biscuits.pdf](https://www.edenprojectcommunities.com/sites/default/files/tbjl_-_bunting_biscuits.pdf)

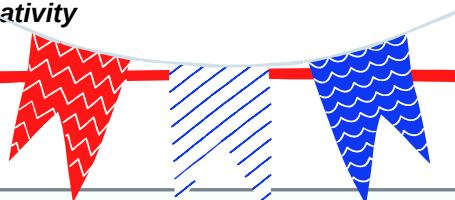

Make your own red, white and blue Bunting and decorate the outside of your house.

There are lots of ways to make you own bunting: you can paint sheets of paper or newspaper (remember to paint both sides) and when dry cut into triangles. Try mixing poster paint with some PVA glue to make it waterproof. Punch some holes and thread through some string, ready to hang up. Don't leave making the bunting too late or it won't be dry in time for your party! or

ask an adult if they have any strips of red, white and blue material you could cut up and thread with string or

if you have a printer you could download some templates and colour or paint them in.

#### THINK ABOUT WHAT HAS CHANGED IN THE LAST 70 YEARS

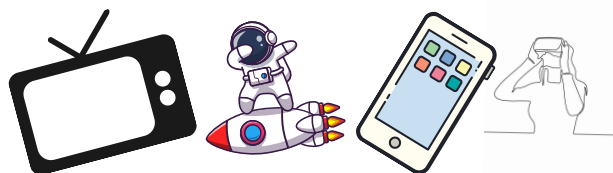

Talk to family members or neighbours, you can ask them how some things are different today from when they were young. They might tell you about the ways things are done differently now, or have photos of how the area you live in looks different.

Find out about some of the new inventions that happened since 1952 or the people who made a difference to the way we live now.

Make a time line showing the 7 decades.

What you do find the most impressive?

### MORE IDEAS FOR THE BIG DAY

Add more fun to your Big Jubilee Party with games for children and families. Why not design your own version of 'Pin the Crown on Her Majesty' or make a scavenger hunt or treasure trail. You could make your own Jubilee Bingo cards or make up a game using red, white and blue balloons!

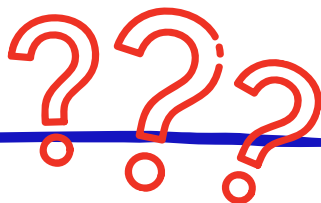

### Design your own Quiz

Ask an adult to help you make up a play list of music from the last 70 years and make a beat the intro Quiz

Look up some important people who during the last 70 years have done something memorable! It could be a famous sports personality or singer, or someone who has invented something amazing, or has done something really good - a modern day superhero! Write their names out on cards and play 'Who Am I?'

## FAMILY DAYS OUT IN THE NEW FOREST

### New Forest Reptile Centre

The New Forest Reptile Centre is to be found at *Holidays Hill*, approximately 2 miles west of Lyndhurst.

It's a small but very worthy attraction and conservation centre where you can (*potentially...*) see all of Britain's reptiles in one place; adders, grass snakes, smooth snakes, lizards, frogs and toads are displayed in separate open air netted pens, with all reptiles living in their natural environment.

You can also take the Discovery trail - a short family friendly circular walk in the New Forest. Enjoy a circular walk through the woods. From the Reptile Centre car park, follow red marker posts along the main gravelled track, which is fairly smooth.
